Christmas Hampers

Last year we were able to make up a total of eighteen hampers from all of the generous donations made by our Theraval community. What an amazing effort!!! This meant that eighteen families in our local community received one of our hampers, helping them financially through the Christmas period.

This year we are asking for your generous donations again, by bringing in a non-perishable food item, or a Christmas gift for a boy or girl (a small label attached to the gift suggesting a suitable age for the gift would be helpful). There will be a basket outside your child's classroom for you to place your donation into. Donations will be warmly accepted from now until Monday 8th December. Thankyou for spreading the Christmas spirit!

Mrs Sue Roach and the Theraval Staff
